## Colorado River Rafting is a must while in Durango!

At Mild to Wild Safety is our #1 priority. We use the best equipment available. Our food is fresh, healthy and prepared by our multi-talented guides! Camping with us is deluxe and comfortable! Our guides are professionals who share their knowledge and love of the outdoors with you. Whether you are an individual, family, tour group, non-profit organization or corporate client - we aim to provide you with an extraordinary outdoor trip.

If you are not absolutely delighted with our guides and river equipment, **THE TRIP IS FREE!** This confidence in our service is unparalleled in the industry. We serve over 16,000 "absolutely delighted" customers annually.

**Lower Animas:** Relax and enjoy a different view of historic Durango as you bounce through fun-filled rapids like "Smelter", "Sawmill", "Santa Rita" and "Pinball". Your guide will share history of the region and stories of local traditions. Families, reunions, groups, first timers and rafting/inflatable kayak veterans enjoy this river rafting trip through Durango on the Animas River. **No experience is necessary;** we provide all you need including safety orientation and instruction.

For those who want to be in control of their own destiny and increase the level of adventure, we offer **inflatable kayaks**. Inflatable kayaks offer the best of both worlds: the stability of a raft and maneuverability of a kayak. Paddle, spin and surf your way down the Animas River in your own craft, under the leadership of an instructional guide. Again, no prior experience is necessary.
