Soaring[®] Tree Top Adventures, a canopy tour zip line attraction in the Durango Colorado Mountains is the first of its kind and scale in the United States. The all-day zip line course allows guests ages 5-91 to traverse cables that make them feel like they are gliding through the air like birds from tree to tree, on a network of stainless steel platforms high in the Ponderosa canopy.

The canopy tour eco-adventure consists of over 24 zip line spans through alpine mountains, Aspen forests and across the beautiful Animas River.

Soaring[®] Canopy Tour's amazing zip line attraction is remotely located on 180 private acres surrounded by the San Juan Mountains of Durango, Colorado, and is accessible by the Durango & Silverton Railroad. Guests must take the Durango train to access the Colorado ziplines, as no roads lead to the pristine old-growth forest where guests will find this unique outdoor activity.

Soaring[®] Canopy Tours has been rated the #1 attraction in the United States, as well as the #1 attraction in Colorado in Durango on tripadvisor.com.
